- One person should help only one village.
- We will educate him/her for just organic farming.
- We will give education via email, online systems, postal, phone and printed paper.
- Applicant has to live in this village.
- If village is so big and necessary, we can call up him/her to USA or Turkey for advanced teaching.
- Applicant must be (if a woman) a woman who she is 15-20 years old, widow or single.
- Applicant must be (if a man) a man who he is 18-30 years old, married and has child.
- Applicant photo must be attached.
- We will give first priority for women.

Please attach to this form some photos of this village if it is possible.
